

8 June 2010

Dear Parents

The 2010 Soccer World Cup is upon us! Having waited in anticipation for several years since the announcement that South Africa was to host this prestigious event, the moment is finally here. What a wonderful opportunity to showcase our nation to the rest of the world. I'm sure that, like millions of South Africans across our country you too, are looking forward to this event with great anticipation and excitement as we mobilise behind our team and get ready to welcome the world!

The first part of Term 2 has certainly flashed by! It has, I feel, been a very productive one for the School and the girls and boys can look back on their accomplishments with great pride and a sense of achievement.

The Grade 6s & 7s conclude their formal assessments this week and Senior Prep reports will be sent out as usual at the end of term in August. The Junior Prep reports will, however, be sent this week.

Plans for our senior boys' annual Winter Tour are at an advanced stage. This year sees Prep returning to KwaZulu Natal with a squad of 30 boys. The squad is made up of rugby, hockey and squash players, whilst the Marimba Band will also accompany us!

Included in your term-end letter is a survey from IQAA - the Independent Quality Assurance Agency - as well as a letter of explanation. Kindly take the time to complete and return the survey to us after the holidays.

Parents will also receive a separate letter with a brochure detailing the 125th Anniversary fundraising drive, along with a DVD. Please take time out to view it - and spread the word far & wide! It is a truly wonderful DVD and one which you will enjoy tremendously!

In conclusion, may I take this opportunity of thanking you all for your continued support and wish you well for a fantastic World Cup holiday.

Travel safely.

Graham

Quote for the holiday:

"Winning starts with beginning" - Robert Schuller
